

Dear Sirs/Madams,

we will like to inform you about the Workshop

**" The International EPD® System:
presentation of new requirements and
improvement of competitive
opportunities"**

for the consultation for the revision of MSR
based on Requirements developed within the
Intend Project

www.intendproject.net

The workshop will be held on

15/12/2006

at

**Faculty of Engineering - University of
Genoa,**
Villa Cambiaso, Via Montallegro 1, Genova -
Italy.

A detailed description of the event can be
found in the attached brochure.

The aim of this mail is to involve the scientific
community working in this field in
participating to the workshop and to the
thematic discussion.

Anyone interested are requested to preview and send the following documents correctly filled in:

- The participation form to attached to the brochure;
- Comments and remarks Form about the attached document

**Overview of the revision work with: "EPD® - an international EPD system for
environmental product declarations"**

prepared by Sven-Olof Ryding of **SEMC (Swedish Environmental Management Council**
- www.environdec.com), in order to provide a preliminary discussion draft about the
revision of requirements.

Moreover, using this form, it is possible to propose eventual interventions within the
scheduled ones for the discussion that will be held in the second half of the workshop.

The participation forms have to be sent by mail to the address

cesisp@dichep.unige.it

or by fax to

+39 10 353.2586

within Monday **11/12/2006**.

This is also the deadline to send by mail the comments and remarks Forms.

The workshop will be organized and managed by **CE.Si.S.P. - Centre for the Development
of Product Sustainability**
www.dichep.unige.it/cesisp

Best regards
